Milford Recreation Commission
July 08th, 2009

Attendees:

Walter Smith	Bill McKinney	Tim Finan
Claudia Lemaire	Rick Mossey	Liz Snell
Nicole Banks	Chuck Deprima	

Meeting called to order: 7:02PM

Appointments:

Fourth of July- Bill McKinney reports that the bonfire went well. The event was family-centered with an attendance around 100. Next year a bonfire and fireworks would work great together. The fireworks could be funded privately and through the warrant article.

Mr. Schwab- Is looking to build 20-24 sets of horse-shoe pits (each space 12x60) to host a horse-shoe tournament at Keyes Field September 12-13th. The event would take approximately 2 days beginning at 8:00AM and ending at approximately 8:00PM. Elisha's will be providing food in the pavilion area. The pits are portable and will not alter the landscape in any permanent way.

Kevin Federico - Connie (DPW) called Kevin Federico about the storage bin and painting the dugouts. The dugouts will be painted on the next dry day.

Director's Report-

Rotary Swim Meet- Will take place next week. Planning, teams, etc…is going smoothly.

Budget Fourth of July- Receipts for re-imbursement need to be submitted.

Keyes Pool House- Newly painted, needs land-line immediately due to safety and state regulations. Bill McKinney will look into the situation further.

A handicap swing/baby swings need to be replaced and bought at Keyes field. Maybe it can be sponsored by the Keyes Trust Fund.

Keyes Field-
Landscaping needs some attention. The Milford Garden Club has not shown interest but maybe we could find volunteers using "in kind service" for fee waivers.

New Business:

Building permanent pits at possibly the Old Police Station?

Meeting Adjourned at 8:45PM.

Respectfully Submitted by Claudia Lemaire
