Appointment:

Hunter Leeman – Hunter’s Eagle Scout project was to construct and install benches at the Rotch Wildlife Preserve and Town Forest. He has completed the construction and installation, showing us photos of his team’s efforts. All is complete with the exception of attaching plaques to the benches, which he will do in the spring. Once he has completed the paperwork, he will bring his workbook to the Town Hall for an MCC signature. He donated the remaining \$157 from his fundraising, which he would like to see put into the Granite Town Rail Trail. The members were very appreciative of his work and project. Thank you, Hunter!
