Ice Skating Rink:
Nicole stated that the new ice skating rink is up at Keyes and will be filled on Monday.

Cameras:
Nicole reported that the Town Administrator wants to move forward with the cameras at Keyes and rather than put in together a warrant item, he recommended using a Keyes/Kaley fund to purchase them. Nicole presented the Commission with a Memorandum that she had written to Mary reference Keyes Surveillance Cameras. In the Memo, she stated that the Keyes/Kaley Fund still holds $32,784.84. She recommended that the money should be split $10,000 – Kaley Road Improvement $1000 future engineering costs at Kaley and $21,784.85 to Keyes for Cameras. The Commission expressed concern that the money available is not designated for this use. They are not aware of a fund with this name available to spend on Keyes. Nicole will look into whether this fund is in fact usable for Keyes. We will chair the discussion until Feb.

Horse Shoe Club:
Fred Arn, from the Milford Horse Shoe Club, is asking if the Town has any plans to sell the old Police Station since that is the place where they play. Fred is concerned that they will not have a place to play since the lights are missing now. They need 5 or 6 courts. They pay $25 dues. He is asking if lights could be put back on the poles. Nicole is thinking the Kaley Park might be a good location. Mary suggested looking at Keyes and Larry mentioned that the space behind the basketball court – between the court and the river.

Nicole will look into getting power back at the old police station and what to do about the lights – DPW? Fred estimates that it will cost approx $1600 to build the new pits. His Club would be happy to build the new pits. More research will be conducted during the next few weeks and we will discuss this again in Feb.

Senior Programs:
Nicole presented the proposed schedule that goes through the May. Alberta reported that KinKaid is going to going to advertise the trip to Fox Wood. She asked Nicole for copies of the Survey Slips, Release Form, and March Flyers. Nicole will put together a packet for her.

Alberta presented Nicole with a craft idea for the March meeting. Nicole will use that idea and have the Easter eggs there to fill as well.
